

20th April 2022

Dear Parents and Carers

Introductory Meeting – Tuesday 26th April 2022

As many of you will already know, we are inviting parents to meet us on Tuesday 26th April, and we hope you will be able to come.

We look forward to sharing with you our approach to supporting schools, the benefits to schools, leaders, and staff of being part of the trust and specifically why we believe that we will be effective in supporting children at Holland Park School. We intend to leave as much time as possible for questions, so that we can discuss all parents' concerns and explore in full what joining United Learning would mean for pupils and their families.

The focus of the discussion is intended to be the future management and educational provision at the school. Governors of the school will not be present and so, while we are of course aware of the strong feelings about the process to date, there will be nobody to speak about that at this meeting. We do hope, however, that contrary to some of what has been said recently, we will be able to reassure parents that joining us will bring significant benefits to the school and its pupils.

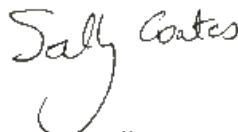

The meeting will be held in the main school hall at 6.00 pm on Tuesday 26th April. To attend the meeting and so the school will have an idea of expected numbers please register at the following link: <https://www.eventbrite.co.uk/e/parents-meeting-tickets-324009510167>.

We look forward to meeting you.

Yours sincerely

Sir Jon Coles
Chief Executive
