Dear Parents

As we wrote in our letter of the 11 May 2022, we have full confidence in the staff team at Holland Park and are grateful for all their hard work at this important time of year.

We regret the decision of the NEU to ballot for strike action and the timing of the strike coming at such a critical time for students. We are in dialogue with the NEU and had a constructive meeting yesterday.

We recognise that the language in the letter of 11th May around the strike could be interpreted as suggesting that staff were not operating in pupils' best interests. That was not our intention, and we did not mean to give that impression.

Yours faithfully

Jane Farrell
Chair of Governors
